ILTACON

21-25 August 2022

Gaylord National Resort and Convention Center  
National Harbor, MD USA

## High Quality Education

The **ILTACON Planning Committee** curates educational sessions consistently rated as some of the best content in legal tech with takeaways such as planning guides and templates.

With over **70 sessions** presented by speakers with real world experience, participants can earn Continuing Education (CE) hours or Professional Development Units (PDU) for certifications such as the Project Management Professional.

## Extensive Networking Opportunities

Networking opportunities abound with ample time to engage your peers between sessions to commiserate pain points and celebrate wins.

Networking doesn't end in the hallway; sessions are structured to provide highly engaging, interactive learning opportunities that can't be replicated in a digital environment.

## Business Partner Access

ILTACON gives you more "bang-for-the-buck" by providing access to over **100 key partners** and start-up companies in the exhibit hall and insight and sneak peeks into product roadmaps through Company Updates you won't find anywhere else.

The Innovation Hub is new for 2022 and will showcase innovative solutions such as the Meeting Room of the Future where participants can see hands on application of different vendor solutions.
